

Information for robot instructions

Description

The course of instruction takes place in our internal instruction center which is located at Hansestr. 28 in 51688 Wipperfurth. The course starts at 8am and ends at 3pm

During the robot instructions for maintenance and repair you need to wear safety shoes

All documents will be handed to the course participants at the beginning of the instructions

Refreshments will be provided throughout the day

Mrs. Behnke is looking forward to receive your appointment requests via phone call:
+49 2267 655 389-40 or as email: schulung@krueger-industrieautomation.de
